Advanced Level Classes – 2022 / 2023

Auditions
Saturday, July 16, 2022

Thank you for your interest in the Academy of Christian Arts advanced level classes. Advanced level classes include : Intermediate Advanced, Junior Advanced, Teen Advanced & Senior Advanced. Auditions are open to all dancers ages 8 and older. The dancers will be placed at discretion of the director & teachers. For Intermediate, Junior, & Teen Advanced classes, co-enrollment in another technique class per week is required. For Senior Advanced dancers, co-enrollment in another technique class may or may not be required. This requirement will be based on the audition.

Advanced level classes have been put into place to have a dance class that pushes dancers at a faster pace. These classes are for our dancers that are looking for a challenge. We will hold an audition for dancers interested in attending competition around December, but only dancers enrolled in our advanced level classes will be allowed to audition. Additional charges for competition entry fees will apply to any dancer selected for competition. Dancers in advanced level classes are not required to compete, but will be eligible.
