Studio Policies - 2022/2023

Classes Begin
Monday September 12, 2022

Thank you for your interest in Academy of Christian Arts, ACA. This packet outlines basic program information and expectations for the 2022 / 2023 dance season. Please review these carefully. Although ACA offers elements of a traditional dance program, you will find something different in our approach. We embrace the Christian Family values while teaching our students the art of dance. Learning dance requires both hard work and discipline; the same characteristics necessary for a solid Christian walk. Does this mean we ignore technical development? Of course not! In fact, we have found that when a student approaches class with the correct attitude and willingness to work hard, they can learn very rapidly.
